Hi Ezra,

Are you available to stop by LUPC on Monday April 4th and give us a briefing on where efforts towards a BID stand, as well as on any pending ordinances?

I'm also interested on the status of the In Lieu Parking Fee ordinance promised in last year's Motion on the subject. Venice has several appeals related to this issue and we had expected an ordinance months ago.

I hope you can come!

Cheers,  
Robin Rudisill

Sure, are you still around West LA or would you prefer me to type something up?

I can give you more background, but take a look at the planning reports. In lieu fee is one of the items in the report every week
